HOLIDAY HOMEWORK
CLASS XII COMMERCE (2024-25)

***HERE'S TO A SUMMER VACATION
THAT'S A TIME FOR MAKING MEMORIES,
TRYING NEW THINGS, AND EMBRACING
NEW EXPERIENCES THAT ENRICH YOUR
LIFE.***

"Amidst the lazy days of summer lies the power to rejuvenate your mind, prepare for what's to come, and make a fierce comeback when the time is right."

Dear Students,

A month-long Summer Break has knocked at the door!

It's important to strike a balance between relaxation and productivity to ensure that you return rejuvenated and proactive for the upcoming challenges.

Here are a few guidelines to help ensure a balanced, productive, and rejuvenating summer break:

1. **Academic Preparation:** Revise the syllabus and complete project work.
2. **Pursue Hobbies:** Engage in activities like painting, music, or writing.
3. **Monitor Screen Time:** Limit excessive screen time and stay active with sports, yoga, or exercise.
4. **Reading and Learning:** Read books, newspapers, and magazines daily.
5. **Mental Health:** Practice mindfulness and meditation to introspect. Unplug to plug and collaborate with your parents to spend quality time with family and friends.

*Innovate, let creativity soar,
Stay hydrated, thirst for more.
Inspired minds, forever curious,
Exploring worlds, both vast and wondrous.*

Happy Summer Vacations!

2. To demonstrate a function that is not one but is onto.
3. To find analytically the limit of a function $f(x)$ at $x=c$ and also check the continuity of function at that point.

➤ **PHYSICAL EDUCATION (048)**

Prepare a **detailed project file** (spiral bound) PPT and Spiral bound) from the topic of your choice.

List of Games

Basketball, Football, Volleyball, Unified Basketball

Complete the project and compile it according to the prescribed format.

- Cover page
- Certificate
- Acknowledgment
- Index
- Introduction
- Content (include pictures/graphs/tables/survey report etc.)
- Case Study
- Bibliography

➤ • **It is an individual activity and marks will be awarded in Annual Examination during practical Examination.**

➤ **INFORMATION PRACTICES (065)**

Python Project

1. **Project title:** Start by providing a clear and concise title for your project.
 2. **Project Objectives:** Explain the purpose of your project and what you hope to achieve by completing it.
 3. **Project Methodology:** Briefly describe the methods you used to complete your project. This could include research, experimentation, data analysis, or any other relevant techniques.
 4. **Project Significance:** Explain the significance of your project and how it relates to the broader context of the subject matter. This could include implications for future research, potential applications, or the impact it could have on society.
 5. **Acknowledgments:** If there are people or resources that were particularly helpful in completing your project, be sure to acknowledge them.
- Keep your synopsis brief and to the point, ideally no more than one to two paragraphs in length.*

Database (MySQL)

Write a query that selects the top 10 most profitable products from a sales database. You can use the SUM() function to calculate the total revenue generated by each product and ORDER BY to sort the results.

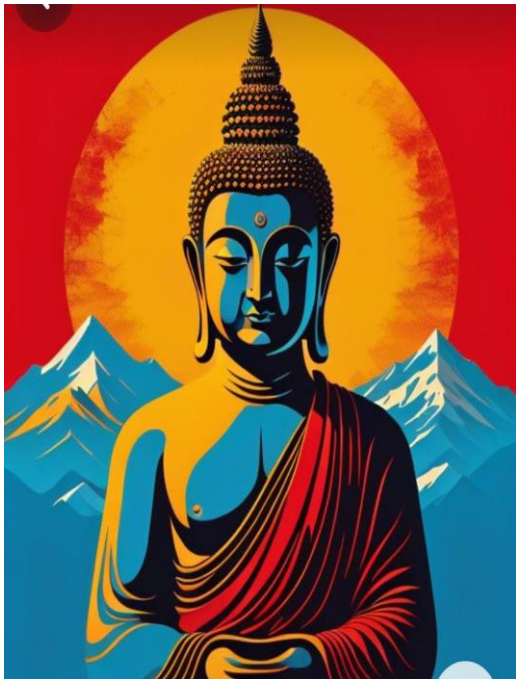

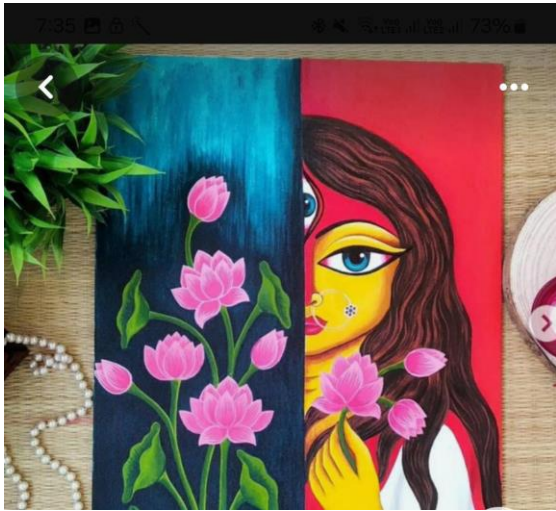

6. Design a database scheme for a music streaming service that allows users to search for songs, create playlists, and rate songs.
7. Write a query that joins two tables in a database and returns the average salary for employees in each department. You can use the AVG() function and the GROUP BY clause to aggregate the data.

8. Create a stored procedure that takes two input parameters and returns the result of a mathematical operation (e.g., addition, subtraction, multiplication, division) on those parameters.
9. Develop a database application that tracks inventory levels for a store and generates alerts when stock levels fall below a certain threshold. You can use triggers to automatically update the inventory levels when new orders are received or products are restocked.

➤ PAINTING (049)

- 1- **Composition** - Two figurative composition with minimum three human figures using any colour as a medium.
- 2- Make two abstract art painting with the help of black ball pen and water colour
